## *Save the Date*

17-19 September, 2020

Megaron Athens International Conference Center

## President's Welcome Message

It is our pleasure and honor to invite you to join us at the **44th Annual Conference of the European Prosthodontic Association (EPA)**, which will be held on **17-19 September 2020**, at the **Megaron Athens International Conference Centre (MAICC)**, in the beautiful city of **Athens - Greece**.

The **44th Annual EPA Conference** aims to offer high quality scientific program, including **cutting-edge topics** in the field of **Prosthodontics, Restorative Dentistry and Dental Technology**, presented by **Leading experts** in the field. The **44th EPA Conference** aims to deliver an **outstanding scientific program**, meaningful networking opportunities, and memorable cultural experiences to upwards of **700 delegates** from all over the World.

**Athens is an ideal congress destination**, combining state-of-the art infrastructure, excellent conference facilities and easy access from all over Europe and the World. Characterized by a culture and people that are welcoming and hospitable, every visitor just feels at home. Each year, more and more travelers are choosing Athens for their leisure and business travel all year round. With world-class cultural attractions, modern amenities, diverse entertainment, the famous Greek cuisine and natural beauty, surrounded by a lining of stunning seas and mountains, Athens is filled with gems just waiting to be discovered. Located at the crossroads of three continents, the capital of Greece with an overall population of close to four million has often been the hub of many cultures.

We invite all of you to join us at 44th EPA Conference in Athens and join our forces in making this congress a memorable landmark experience!

*Best wishes,*

*2020 European Prosthodontic Association (EPA) President*

Prof. Phophi Kamposiora

### ✓ Information about Registrations

**All participants are required to register.** In order to have access to meeting rooms and the exhibit hall, participants are required to wear a Conference Admission Badge which will be provided to all registered participants by the Congress Secretariat.

## Why Attending?

The Annual Conference is the premier meeting of the European Prosthodontic Association, attended by prosthodontists, dental technicians, dental students and other dental professionals who have significantly contributed to the specialty. With an attendance exceeding 700 participants and attracting top class speakers worldwide, the meeting has a magnifying exposure to a greater target group including leaders in diverse environments, such as Universities and College Faculties (department chairs, program directors, educators), licensed prosthodontists, dentists and prosthodontic residents etc. With regular members, En-block members and EPA followers exceeding 12000 people from all of Europe, the Middle-East, USA, Canada and Japan, this “must attend” Meeting offers:

- ✓ Crucial insight into the latest developments and innovations in the field of Prosthodontics from outstanding International Speakers.
- ✓ High level Scientific Program.
- ✓ International Networking and Social opportunities
- ✓ Rare possibility of joining experts from several countries, exchanging opinions about cutting- edge topics, treatment concepts and new practices.

## Breathtaking Athens

Athens combines the qualities of a modern metropolis with those of a rich archaeological past, evident in all parts of the city. Today, it is this same quality that turns all conventions into big successes. The city offers a variety of activities, and most of the times, under favorable weather conditions.

- ✓ **Accessibility** - The multi-awarded Athens International Airport, is one of the fastest growing airports in the world, connected to all major cities around the world at

competitive prices.

- ✓ **Activities** - Boasting a history of 2.500 years with monuments incorporated into the modern city, coupled with world class museums and a vibrant contemporary cultural life, Athens becomes a very attractive destination.
- ✓ **Pre / Post meeting activities** - Athens is probably the single European capital where it takes you less than 30 minutes from the vibrant city center to get either to the beach or to the mountains. It takes less than 2 hours drive from the capital to reach places that have both archaeological or historical interest and exceptional natural surroundings such as Sounio, Nafplio or Delphi. Hydra, Spetses, Aegina and Poros - four small and picturesque islands of the Saronic Gulf - are also ideal for daily tours, since there is a regular service from the port of Piraeus every day.
- ✓ **Climate** - Athens is known all over the world for its mild climate, characterized by sunny skies, warm temperatures all year round, breezes and lack of humidity. The average temperature for this month is 25°C.
- ✓ **Safety** - one of Europe's safest capitals, located at the crossroads of 3 continents. Athens is a welcoming and hospitable city every visitor just feels at home.

## Conference Topics

The 44th Annual Conference of the European Prosthodontic Association aims to offer high quality scientific program, presenting all cutting-edge topics in the field of Prosthodontics, Restorative Dentistry and Dental Technology. The preliminary scientific topics will include, among others:

- ✓ Dental Implants
- ✓ Fixed & Removable Prosthodontics
- ✓ Occlusion
- ✓ TMD
- ✓ Gerodontology
- ✓ Digital Workflow
- ✓ CAD CAM
- ✓ Maxillofacial Prosthodontics
- ✓ Esthetics & Ceramics
- ✓ Treatment Planning
- ✓ Dental Materials

## The Congress Venue

Megaron Athens International Conference Centre (MAICC) offers the finest facilities, stunning aesthetics and cutting-edge technology. A landmark, in the center of Athens, MAICC offers various meeting spaces, combined with expansive exhibition and foyer areas, that can accommodate up to 6,000.

### Megaron Advantages:

- ✓ State of the art auditorium, meeting rooms and facilities
- ✓ Ideally located in the center of the city of Athens
- ✓ Easy access with ALL public means of transportation (The “Megaro Moussikis” Metro station is located just outside the congress venue)
- ✓ Wireless Internet is available throughout the Centre.

## Landmarks of Athens

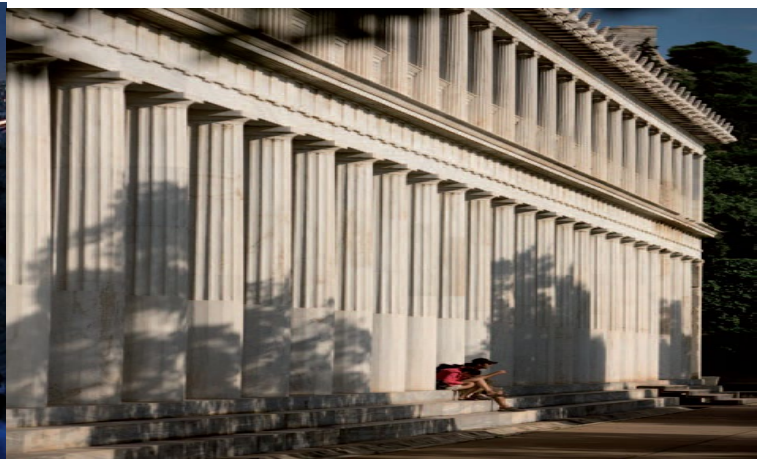

**Acropolis** - The Parthenon, a monument that constitutes the symbol of Greece worldwide, has been standing on the “sacred rock” of Athens, the Acropolis, for thousands of years.

**The Acropolis Museum** - The sparkling new museum, since its opening in June 2009, has already become the City’s top attraction and is expected to become one of the most visited and “must see” museums worldwide. The most impressive part of the museum is its top floor, where visitors will be able to view the frieze and then look out of the windows to view the Parthenon itself.

**Odeon of Herodes Atticus** - At the footsteps of Acropolis, the Odeon was built in 161 A.D. To date concerts, plays and ballets have been performed.

**Ancient Agora** - The Ancient Agora, which means “market” in modern Greek, is situated at the footsteps of the Acropolis and in ancient times it served as the commercial center of the city but also as political, cultural and religious center.

**National Archaeological Museum of Athens** - The National Archaeological Museum is a must-visit. One of the richest collections of ancient Greek art in the world, the exhibits are representative of all the cultures that flourished in Greece, from the prehistoric age until the period of Turkish occupation.

**Byzantine Museum** - Over 25,000 artefacts divided into collections that date from the 3rd to the 20th century A.D.

**Museum of Cycladic Art** - An extensive and unique private collection of prehistoric art from the Cycladic islands as well as ancient Greek and Byzantine art.

**Benaki Museum** - 30.000 items illustrating the character of the Greek world through a spectacular historical panorama covering several periods ranging from the Prehistoric, Ancient and Roman periods to the Byzantine and the contemporary Hellenic period.
